

Kent Geologists Group
Membership Application/Renewal Form
and
General Data Protection Regulation Form

Welcome to Kent Geologists Group (KGG).

The current annual subscription is £15 plus £2 for each additional member at the same address.

The subscription is due on the 1st January for existing members that are renewing their membership. The Group will consider special arrangements for new members joining later in the year.

Note:- Only one communication will be sent to members in the same household.

General Data Protection Regulation (GDPR)

The General Data Protection Regulation became law on 25th May 2018.

This law is aimed at protecting your personal data. Therefore, the KGG need your written consent to safely keep your contact details, in order to communicate with you by post, e-mail, phone or text, as you chose.

Please also complete this part of the form, when applying for membership.

NB. Joint members, or additional members at the same address, please fill in **both/all** sets of consent boxes.
